(To Be Confirmed)

Dear Providence Holy Cross Staff,

You're invited to a special in-person thank-you gathering! From May to July 2024, your incredible care supported me and my family during my battle with **Guillain-Barré Syndrome (GBS)**. When you last saw me, I was on a ventilator, paralyzed, and relying on 24/7 total care.

**Today, I'm walking, talking, and have regained nearly 100% use of my body**—thanks in large part to your dedication.

I want to personally shake your hands, share my progress, and express my deepest gratitude.

## Lunch is on Me!

Delicious Lebanese finger foods including:

Spinach pies

Meat pies

Cheese pies

Mini mana'ish pizzas

*From Furn Saj Bakery in Granada Hills*

**Join us for food, connection, and celebration of your impact.**
